## **The Women's Committee of Masjid As-Saffat**

The Women's Committee of Masjid As-Saffat was founded in 1974 to provide opportunities for Muslim women to grow in Islam and propagate it as a way of life. The Committee works under the auspices of Masjid As-Saffat, Inc. of Baltimore and lends its support to the Masjid administration in matters concerning women. Our mission is to advocate for the education, health, stabilization, and empowerment of Muslim women and children, and to facilitate the public's awareness of Islamic beliefs.

Each year, the committee sponsors charitable and educational projects and therefore welcomes tax-deductible donations to assist in our valuable work.

## 2025 Conference Sessions

### Conference Keynotes

*Friday: Let's Talk About It*

*Sunday: Journey To Change*

### Sessions

7:30 am-9:00 am

***Giving Her Her Rights.*** Preparing her body for (Hawwah A. Karim-Licensed Funeral Home Director , Islamic Burial Service LLC) .

***Lets Talk About DEATH*** For Muslims, preparation for death is preparation for a number of important things. In that preparation one considers his or her will and inheritance. People think about dear loved ones being left behind, even things left unfinished. The life that we live prepares us for the Hereafter, that being Jennah or Jahanam. Are we preparing for Jennah or Jahanam? In this session, we will use Quran and Sunnah to focus on actually preparing for our death, thus, the Hereafter, striving for the destination that we want, Jennah.

***Lets Talk About MARRIAGE AND DIVORCE*** This session will focus on the rights of Muslim women regarding getting married and what is expected and needed from both spouses to maintain a healthy, long-lasting relationship, while also discussing that getting a divorce is allowed and sometimes necessary if the relationship becomes unhealthy physically, mentally, emotionally and spiritually, according to Qur'an and Sunnah.

***Let's Talk About SEXUAL INTAMACY*** As Muslims, we are only permitted to have sexual relations with our spouses. In this session we will discuss the rights and responsibilities of husbands and wives in regard to sexual intimacy. We will examine the ways that couples can have enjoyable and fulfilling sex lives and truly become "libaas" (clothing) for each other as Allah has told us to.

***Lets talk about ABUSE*** Abuse is an issue that occurs in all walks of life. It is not governed by social economic status, race or ethnic backgrounds. Abuse also comes in many forms and is not limited to physical harm. It's a taboo hiding behind closed doors and not always acknowledged by the belief in the shahadatain. Abuse is an ugly problem hiding behind shame and status, as well as witnesses hiding as not be involved. Let's talk about abuse and thulm and how it plagues the Muslim community.

***Lets talk about FINANCE-*** Islamic personal finance is a unique approach to managing money that aligns with the principles of Islam. It is not just about making and saving money, but also about ensuring that all financial activities are conducted ethically and by Islamic law (Shariah). This includes earning income through halal (permissible) means, avoiding interest (riba), and giving a portion of one's wealth to those in need through Zakat (charitable giving).

***Lets talk about the ELDERLY*** The goal of this session is to discuss Islamically how we should care for the elderly whether they are home or in a facility. What are they're rights?

***KISS (KEEP IT SIMPLE SIS)-*** Geared towards new Shahadahs and non-Muslims who still need to know the basics of Islam-the 4 pillars of Islam, the articles of faith, and Tauhid. The desired outcome is that participants will leave with a better understanding of what one has to do to be within the realm of Islam, and doing those acts that will bring us closer to Allaah. Insha'Allah. Attendee participation is welcomed.

***GOT DEEN?*** Discussing the correct understanding of the Deen and ways to strengthen our home life by instilling the values of Qur'an ad Sunnah in every room.

### Special Sessions (optional) 3-5pm

**Let's Talk About Mental Health- Panel discussion.**

# Need To Make A Donation?

For over forty years, WCMAS has worked under the auspices of Masjid As-Saffat, Inc. of Baltimore to serve the larger Muslim community. Our focus has always been the establishment of *dawah*, educational, and recreational activities for Muslim women and children. We have been fortunate to be a part of a community that empowers women to participate in the establishment of this beautiful *Deen, Alhamdulillah*. Scan Code to make a donation!

The Halimah Mujahid Scholarship was established in 1992 to provide educational funds to Muslim students (male or female) who have graduated from a full-time Islamic high school or completed home schooling in the state of Maryland. Alhamdulillah, WCMAS has awarded over \$50,000 in scholarships to date. Scan Code to make a donation!

**WE NEED YOUR GENEROUS HELP & SUPPORT!**

We need to expand, upgrade, and develop Masjid As Saffat and Islamic Community School. The community is seeking to purchase a much larger facility and adjacent properties to house both the masjid and the school.
